Dear Mr. Hood:

We are pleased to submit the enclosed Final Munitions and Explosives of Concern Intrusive Investigation Work Plan for the referenced site. Also enclosed are responses to comments received from USEPA and NCDENR, which have been incorporated into this final document. These comments were reviewed with USEPA and NCDENR during an October 26, 2006, conference call, at which time both agencies concurred with the responses and agreed to our beginning work in December 2006.

As requested, copies of this document are being sent under separate cover to the following parties:

- Bob Lowder, EMD/EQB, MCB Camp Lejeune
- Randy McElveen, NCDENR
- Gena Townsend, U.S. EPA Region 4

Please contact me at 404-474-7640, or by e-mail at tom.roth@ch2m.com, if you have any questions regarding this submittal.

Sincerely,

CH2M HILL
